

Astrocamp Packing List

Please review this list when packing for Astrocamp. Many activities at Astrocamp are outdoors, so you should bring clothing that can get dirty. These clothes should be comfortable and easy to move in as students may be in harnesses for a couple activities.

We do not provide bedding or toiletries, so please remember to pack those items. Please pack personal gear in a suitable and well-marked container with your name, address, and school name.

Astrocamp as well as CCMS does not assume responsibility for lost/stolen items.
